

**APPLICATION FORM
EXPRESSION OF INTEREST FOR EMPANELMENT OF TECHNICAL EXPERT FOR
DESIGN DEVELOPMENT FOR BAMBOO PRODUCTS**

PARTICULARS

1. Name
2. Full postal address with detailed address and PIN code
3. Cell Number
4. E-mail ID
5. Years of Experience (as on 31.03.2021)
6. Highest Educational Qualification (Enclose CV)
7. Relevant experience in areas as mentioned in the attached Terms of Reference (Annex A) (Enclose work order of 2 clients or any valid proof, e.g cover page of report prepared, etc.)
8. Details of the following
 - 8.1 GST Number (if any) (Please enclose self certified copy)
 - 8.2 PAN Number (Please enclose self certified copy)
 - 8.3 Any other information about the technical expert with self attested copies of supporting documents, wherever needed
 - 8.4 Financial quote in INR (Please mention rate per day inclusive of taxes)

Terms of Reference

Project Background

A consortium of 4 agencies viz-Foundation for MSME Clusters (FMC), Commonwealth Educational Media Centre for Asia (CEMCA) along with Small Industries Development Bank of India (SIDBI),and the Copenhagen Business School (CBS) is implementing a project **“Promote Bamboo MSME Clusters for Sustainable Development”** funded by the **European Union (EU)**.

The overall objective of the project is to promote bamboo as sustainable resource by creating/ upgrading sustainable enterprises and generate green jobs. The project is designed to help local community and other stakeholders collaborate for the promotion of green economy, sustainable growth, economic prosperity and poverty reduction along with mitigation of climate change.

The project is implemented in the 9 states (Viz: Assam, Arunachal Pradesh, Meghalaya, Mizoram, Tripura, Odisha, Chhattisgarh, Jharkhand & Madhya Pradesh)in India by Focal team of Partners at their respective Head Offices along with Field teams at all the 9 states.

To promote Bamboo based enterprises for sustainable production, the project is providing technical inputs to the bamboo farmers/ harvesters, artisans and enterprises for making value-added graded, standardised and eco-friendly treated bamboo material and various bamboo based applications and gain access to more markets. The project is also strengthening the Business Development Service Providers (BDSPs) for specialised services and suppliers for providing primary production machinery. The project is also working on strengthening local governance systems and intermediaries to ensure sustainability of action and its scaling up by institutionalisation of knowledge, building capacities of MSMEs through existing/newly created Production Networks (PNs) and setting up & managing of common facility centres (CFCs) in each cluster district to provide common training/ testing/ designs/ facilities. This is also supplemented with financial linkages with bankers with customised business plans. Apart from this, the project is actively engaged with the knowledge institutions and policy stakeholders to leverage their support for enterprise development to supply sustainable supply of green products.

Objective of the Assignment: To promote furniture products of Bamboo, it is essential to provide design training to the artisans. FMC is looking for a Design Expert for the development of the same. The expert will assist in creating course content as well as tools for training of such artisans.

Job Description:

- (1) Make the course content for bamboo furniture training which we will use for future trainings too by him/her or any other person
- (2) Will visit and train the stakeholders in the 2 clusters - Jharkhand and Tripura

Education and Experience Required:

1. Post Graduate form any reputed Design institute (NID/NIFT or any other)
2. More than 10 years of experience in designing of Furniture especially in the Bamboo sector
3. At least one report of any similar Training program conducted in the Bamboo Sector.
